Our Mission

Axim Geospatial’s mission is to provide clarity and solutions to help our clients solve the world’s national security, infrastructure, and environmental problems. We are the largest singular provider of end-to-end geospatial services and solutions in the U.S., empowering our clients to make the world a smarter, safer, and better place for us to live.

Over 30 Years of Experience

Axim was launched in January, 2022 as a rebranding effort of parent company Continental Mapping Consultants, LLC (UEI: TLABW75ZMLC5/CAGE: 1NY88) and its two subsidiaries; GISinc (UEI: H64NCT3G3XM3/CAGE: 1FQD9) and TSG Solutions (UEI: U2SRHEXLP74/CAGE: 1WMD3). Although a new entity by name, Axim brings >30 years of corporate experience.
