Founded in 1980, Construction Helicopters, Inc. d/b/a CHI Aviation (“CHI”) (Cage 1UDW4), a **Veteran-Owned Small Business (VOSB)**, is a global leader in a wide array of Rotary- and Fixed-Wing applications, including aerial crane, firefighting, Unmanned Intelligence Surveillance and Reconnaissance (ISR), Air Ambulance (**CASEVAC / SAR**), and **CARB-Approved PAX/Cargo/COMBI** transport. Based in Michigan, CHI operates a fleet of ten **Sikorsky S-61Ns**, three **CASA 212s**, and one **Beechcraft King Air 350**. CHI, a subsidiary of Heligroup Holdings, Inc. leverages the capabilities of its affiliate companies, Helimax Aviation, Inc. (Cage 3PAG9 - fleet of six **CH-47Ds** providing heavy-lift aerial fire suppression/external load) and Resolute ISR, Inc. (Cage 8MVJ5 - OEM and operator of the **Resolute Eagle Group 3 UAS**).

**CHI's Diverse Fleet (CH-47D, CASA 212, S-61N, Resolute Eagle)**

CHI Aviation has recent and relevant past performance supporting remote and austere environments, including USAFRICOM and USCENTCOM, with CARB-approved RW and FW airlift support services to include PAX/Cargo/COMBI transport, Personnel Recovery/Casualty Evacuation (NAAMTA accredited PR/CASEVAC), Sling-load Long-Line Precision Placement (L2P2) and Hoist Operations, NVG/IFR, NREMT-P medical services, disaster relief services, etc. CHI Aviation has an FCL at the SECRET level. Helimax Aviation provides global heavy-lift fire suppression services to the US Forest Service and an array of foreign governments and private companies. Resolute ISR support US Military and commercial customers with various ISR UAS services.

CHI Aviation and Helimax both possess Part 133/135/137 operating certificate and 145 Repair Station FAA Approval/Certifications.
