Corporate Experience

Contract Field Teams (CFT) Support: STi is one of 10 small businesses awarded this $11 billion contract. We provide a rapid-deployment workforce to complete Organizational, Intermediate/ Field, and Depot/Sustainment level maintenance for aircraft and other active systems. Customers include the U.S. Air Force, Navy, Marine Corps, Army, and Coast Guard.

Integrated Logistics and Distribution Support: STi provides project management, logistics, warehousing, Heavy Mobile Equipment, and Systems analysis support for the Marine Force Storage Center. STi provides services to the overall Reset/Retrograde effort supporting of the warfighter.

Federal Aviation Administration Services: STi currently provides aviation maintenance services to Federal Aviation Administration Flight Program Operations at multiple locations. We provide program management support, electronic technical support, A&P Technical support, and laborer support on and for FAA supported aircraft.

NUWC Keyport - Technical and Industrial Support Services: STi oversees logistics, testing, training, and measurement facilities equipment, range system operations and maintenance processes, and system evaluation activities throughout all phases of the acquisition life cycle. We assist in the design, fabrication and testing of systems for USW warfare environment simulation and performance measurement. STi performs Test and Evaluation and executes test programs which approximate war-fighting environments and provides methods for measuring system performance in those environments. STi provides acoustic testing against weapon specification, test documents, and a joint interoperability capability to support full-spectrum acquisition, at-sea trial, and experimentation requirements.

Space Force: STi provides aircrew services to perform Functional Check Flights (FCFs), maintenance flight tests, Operational Check Flights (OCFs), and Acceptance Test Profiles (ATPs) (as well as recoveries and pickups) to determine airworthiness and maintenance status of various aircraft in support of the PR Helicopter Rescue Squadron (RQS).
