

We are GDIT.

The people supporting some of the most complex government, defense, and intelligence projects across the country. We deliver. Bringing the expertise needed to understand and advance critical missions. We transform. Shifting the ways clients invest in, integrate, and innovate technology solutions. We ensure today is safe and tomorrow is smarter. We are there. On the ground, beside our clients, in the lab, and everywhere in between. Offering the technology transformations, strategy, and mission services needed to get the job done.

Contract Number: 47QFCA22D0317 - DEVELOPMENT/
SYSTEMS INTEGRATION POOL

Contract Number: 47QFCA22D0365 - RESEARCH POOL

Contract Number: 47QFCA22D0415 - SUPPORT POOL

Contract Number: 47QFCA22D0467 - TRAINING POOL

Relevant Experience

DEVELOPMENT/SYSTEMS INTEGRATION POOL

Our experience providing level-of-effort engineering, logistical, and procurement services, parts, and products required to support the development of programs, projects, and laboratories in the Electronic Warfare environment to the U. S. Army Rapid Response Project Office.

RESEARCH POOL

Our experience providing research and development support ensures our customers' needs are met with low-risk system solutions using the best technologies. We currently provide R&D support services to the U.S. Army Medical Research Materiel Command for the development of new drug and medical device programs.

SUPPORT POOL

Our experience in providing research, design, development, integration, and testing of Mission Information Engineering and Security Provisioning (MIE&SP) for the U.S. Navy, Naval Air Systems Command (NAVAIRSYSCOM).

TRAINING POOL

Our experience providing Waterfront Team and Maintenance Training Support to the U. S. Navy Center for Surface Combat Systems (CSCS).

ASTRO Pools

DEVELOPMENT/SYSTEMS INTEGRATION POOL

NAICS Code and Title: 541330 – Engineering Services Systems integration, improvement, and/or engineering associated with manned, unmanned, and optionally manned platforms.

RESEARCH POOL

NAICS Code and Title: 541715 – Research and Development in the Physical, Engineering, and Life Sciences (except Nanotechnology and Biotechnology).

All R&D associated with manned, unmanned, optionally manned, and counter Unmanned Systems (UxS) platforms.

SUPPORT POOL

NAICS Code and Title: 541990 - All Other Professional, Scientific, and Technical Services

All support services (except training) required for successful execution of a product, program, project, or process regarding platforms and robotics for land, air, sea, or space; the planning necessary to support operational missions; and the analysis of the results of an operational mission.

TRAINING POOL

NAICS Code and Title: 611699 – All other Miscellaneous Schools and Instruction

All training (the providing of instruction) services required for successful execution of a product, program, project, or process regarding platforms and/or robotics for land, air, sea, or space.
