**CERTIFICATIONS**

**USfalcon** has grown from humble roots in 1984 to a mid-tier professional services company supporting a diverse and global clientele of DoD and Federal Agencies. Our focus and core capabilities include **Aviation Maintenance & Engineering (AME)**; **Aerospace Operations (ASO)**; **Business Operations Management (BOM)**; and **Information Technology Solutions (ITS)**. We continue to grow and expand our competencies, contracts and customer base to build upon our long history of client and community support. Our success is built on our talented employees' ability to bring fresh ideas and powerful insights to our customers' toughest challenges.

Our mission to "**contribute significantly to our customers' success**" is founded in our core values, "**Integrity, Commitment, Stewardship and Service**".

Key capabilities we offer to prospective customers:

- **Aviation Pool:** Maintenance, repair, and overhaul of manned, optionally manned, and unmanned aircraft, Maintenance Training Devices; A&AS/SETA Services; Quality Control and Logistics Support; and Unmanned Aerial Systems
  - *Customers served:*
    - Department of Defense
    - NASA AMES
- **Research Pool:** All R&D associated with manned, unmanned, optionally manned, and counter Unmanned Systems (UxS) platforms; TENCAP, M&S and Wargames; Operational Testing; DMOC-S Strategic Cyber Support; and Tactical Cyber Support
  - *Customers served:*
    - Department of Defense
- **Support Pool:** All support services (except training) required for successful execution of a product, program, project, or process regarding platforms and robotics for land, air, sea, or space; the planning necessary to support operational missions; and the analysis of the results of an operational mission; Workforce Planning, Recruiting, and Analytics; Strategic Planning & Execution; and Organizational Design & Management Policy, Program, Budget, Planning & Execution; Information Management Strategy; Solution Development; Governance and CPIC; Agile Development; Knowledge and Case Management; and Field Support Services
  - *Customers served:*
    - Department of Defense
    - Department of Justice
